tension in the room.

Without beating around the bush, my brother got right into it. My brother said Carly told him that Jenny pushed Carly into having sex with Zack/ X, that it wasn't her choice. Carly must've came clean to my brother about having sex with Zack and/or X. Carly spoke up and said if it was her choice, she wouldn't have done it and she would've remained faithful to my brother. Carly said Jenny turned into a bad influence recently and kept nudging her towards an affair, but she kept resisting. Finally, to stop the pestering, Carly gave in. Carly said again that "*Jenny isn't a positive influence you want in your life*" and the old Jenny she knew, the kind, faithful, loving one was gone. Jenny looked furious. She shouted "**YOU FUCKING LIAR.**" Jenny admitted that they both had sex because they both wanted to try new things, she didn't force anyone to do anything. I spoke up and for the first time in a long time, took Jenny's side. I questioned my brother, asking him if he actually believed the bullshit Carly was spewing out of her mouth. I told him there was no way Jenny forced anyone to do anything, otherwise Carly would've sneak texted one of us earlier on about this whole thing.

Emotional breakdown commence. Carly wept for 10 minutes straight, mumbling out words nobody could understand. Jenny surprisingly just stared at her in anger instead of joining in. Carly eventually came clean, telling us that they both agreed to it and wanted to try something new. My brother was once again
